# About us

Accounting company TKC Consulting & Finance, with extensive experience over the entire spectrum of accounting and tax legislation, offers accounting services of high added value, staffed by the market's best trained and experienced executives.

*Every month we implement a multitude of reporting, both for our foreign customers and for the Greek market. Our skilled team, with extensive experience in such types of financial reports, is in a position of implementing even the most demanding reporting for Parent companies, always within the required time limits, responsibly and correctly.*

# We undertake:

- Preparation of Management Accounts – Reporting and Financial Analysis.
- Information on Organizational Matters of the Accounting Department and Financial Management.
- Technical Transition to “Management Accounts”.
- Correspondence – Mapping between Greek and foreign accounting plan.
- Rules for Preparing Account Plan.
- Necessity – Obligation to keep a Computerized Accounting Department.
- Presentation of External Procedures and the Organization Chart.
- Layout and Equipment.

# All our financial reports can be prepared:

- In any file format.
- In any language you prefer, e.g. English, French, German, Italian or any other language of your preference.
- They can be sent to you across the world, wherever you may be located.
- They can include whatever you have specified.
